About Me

As a dedicated and detail-oriented Frontend developer, I bring 1 month of valuable experience from my time at Dragon Coder Private Limited. My passion lies in Web Development, Application Development, and Database Management. I am eager to apply the skills I have acquired to create exceptional user experiences and responsive web applications. Additionally, I have a special interest in targeting the millennial market and contributing to retirement and general financial planning through innovative digital solutions.

Professional Experience

Dragon Coder Private Limited | Internship
July 15 - August 15, 2023
